Dear Gary:

I wanted to take this opportunity to thank you once again for providing us with an excellent hunting opportunity as well as a wonderful place to promote on our show. The video turned out better than we expected and I am confident it will make the best elk hunt video that we have done to date. I will let you know prior to the show broadcasting as well as provide you with a VHS copy of the show after it has aired.

Nothing could have been better in the camp, from the food to the accommodations and certainly the first class bathroom facilities. Everything was top notch and I am certain that this new operation for you and your group will prove to be successful.

I hope we can continue this relationship in the 2004 season. If there is anything that we can do to assist you in any way, please don't hesitate to call. Thanks again. Thanks again for the hunt, but more importantly for your friendship.

Sincerely,

Keith R. Warren
